About Us

Our Product Range & Quality Standards

Tuyapack manufactures high-quality products for both food and non-food applications. Our main products include:

- PS plates
- PET food & fruit containers
- PP meat trays
- PE food-grade stretch films
- Multi-layer PP/PE/EVOH and mono PP containers
- Biodegradable PET, PP, PS containers and salad bowls

All products are made with FDA-approved raw materials and fully comply with food safety standards. We also offer complete flexibility to produce fully customized items.

Eco-Friendly & Durable Options

Our biodegradable additive PET fruit packs degrade more efficiently after disposal while remaining food-safe and recyclable. Certified washable cutlery options are available, resistant up to 10 dishwasher cycles.

Operational Excellence & Customer Service

We provide cost-effective and fast solutions through:

- Customized production planning and short lead times.
- Continuous investment in new technologies
- 24/7 access to product, production, and delivery information

Why Choose Tuyapack?

Safety & Control: We ensure your products are produced and packaged correctly.

Quality: We use food-grade machinery and materials to guarantee maximum safety and consistency.

Customs & Logistics: We manage all documents and transportation processes smoothly.

Our Mission

We aim to elevate standards in disposable plastic products by offering superior service and innovative solutions while consistently exceeding customer expectations.

Thank you for choosing Tuyapack as your trusted partner in plastic packaging excellence.
